

Wilsonart® Compact

Sometimes the project just calls for a little more. A little more strength. A little more stability. A little more durability. That's when you can turn to Wilsonart® Compact Laminate. Wilsonart® Compact Laminate is available in more than 600 patterns and is a durable solution that is perfect for high-impact surfaces. The difference between compact and standard laminate is the strength and toughness of each panel. Just as with laminate, there are many colors and finishes to choose from.

FEATURES & BENEFITS:

- ✓ Compact Laminate is a long-lasting, durable solution for high-impact surfaces
- ✓ Available in more than 600 colors/patterns
- ✓ A higher impact, moisture, scratch and abrasion resistance than any comparable laminate offering
- ✓ Does not absorb any odors or moisture
